

To the residents of The City of Mechanicville, NY:

I would like to send out a few friendly reminders about snow and ice removal:

City of Mechanicville regulations require that all property owners maintain the sidewalks adjacent their property.

“It shall in all cases be the duty of the owner of every lot or piece of land in the City of Mechanicville to keep the sidewalks adjoining his lot or piece of land in good repair and to remove and clean away all snow and ice and other obstructions from such sidewalks.”

“It shall be unlawful for any persons to deposit, pile or otherwise dispose of snow and /or ice from private premises into streets and/or thoroughfares.”

We would kindly ask that anyone who has access to off street parking please use it during snow storms to help our DPW crews do their job more efficiently.

As always the safety of our citizens is our main concern.

Thank you for your concern with this matter

John Holland
