Mark.seber@mechanicvilleny.gov

The City of Mechanicville is in the preliminary stages of updating its 1999 Comprehensive Plan and Zoning Code (last updated in 1963). A Comprehensive Plan for the City will help officials make policy and capital project decisions about the future of the community. Upon adoption of the Plan, the Zoning Code will be updated based on the goals and recommendations in the Comprehensive Plan. We encourage you to fill out the survey online using the link or scanning the QR code below. Paper copies can also be found at Mechanicville City Hall, Public Library, and Community Center.

This is just the first step in the Comprehensive Plan process which is expected to continue into 2023. There will be many more opportunities for public input over the next 16 months or so. Thank you for helping us develop a vision for the future of Mechanicville!
