On Saturday afternoon, June 3, 2023, officers responded to the area of North Main and North Central for a two-vehicle crash with injuries. Officers investigating the collision contacted both drivers, one of which, Timothy Barnes, showed signs of impairment. Officers conducted field sobriety testing, after which Barnes was arrested for operating a motor vehicle while impaired by drugs and other traffic infractions. The driver of the other vehicle was transported from the scene by ambulance to treat their injuries which are believed to be minor. Barnes was processed and released on an appearance ticket to a third party pending further action.

The Mechanicville Police Department recognizes that persons arrested for crimes are presumed innocent until proven guilty in a court of law. People reviewing these arrests should understand that an arrest is often the first step of many in the criminal justice process.
